Membership of the Target 2050 Sustainable Energy Installer Network does not imply that Severn Wye Energy Agency, Gloucestershire County Council or Gloucestershire District Councils in any way recommend either the technical solution or a particular installer.

The contractual arrangement for each installation including cost, quality, performance and warranty is a direct contract between the client and installation company only. Severn Wye Energy Agency, Gloucestershire County Council and Gloucestershire District Councils do not accept any liability for work undertaken by companies participating in the Target 2050 Sustainable Energy Installer Network.
