

# Energy Efficient Lighting

Compact Fluorescent Lamps (CFLs) are now available in a range of styles including bayonet and screw fitting and screw fitting

They use 80% less energy than standard bulbs and can last for up to 15 years

7W CFL = 40W standard  
11W CFL = 60W standard  
15W CFL = 75W standard  
20W CFL = 100W standard  
25W CFL = 150W standard
