

There are '**COOL SAVINGS**' to be had in-store when you buy an Energy Efficient Fridge or Freezer!

Certification mark

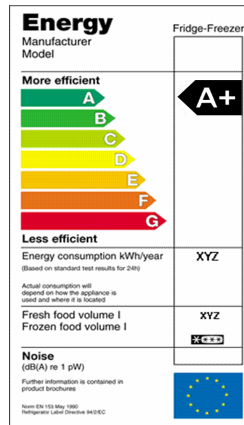

Did you know that a typical 'C' rated fridge-freezer costs THREE times more to run per year than an 'A++' one? That works out on average of £30 per year or £360 over the typical lifetime of the appliance!

So to help you make some 'cool savings' in-store today, for a limited time only, we are offering a

'10%' discount

on all fridges, freezers and combi's which carry the EU Energy Label 'A+' and 'A++' rating.

Quote Ref: **GillmansCoolSavings01'** or present a copy of this flyer.

To see some of our range, have a look on our website www.gillmans.co.uk

or come and see us in-store at Mercia Road, St. Oswalds Road, Gloucester GL1 2SG

Tel: 01452 528776

For information about all aspects of home energy efficiency call your local Energy Efficiency Advice Centre FREE on 0800 512 012
