

There are some **'COOL SAVINGS'** to be had when you buy an Energy Efficient Fridge or Freezer!

Did you know that a typical 'C' rated fridge-freezer costs **THREE** times more to run per year than an 'A++' one? That works out on average of £30/yr or £360 over the lifetime of the appliance!

Energy	Fridge-Freezer
Manufacturer Model	
More efficient	A+
Less efficient	
Energy consumption kWh/year <small>(Based on standard test results for 24h)</small>	XYZ
<small>Actual consumption will depend on how the appliance is used and where it is located.</small>	
Fresh food volume l Frozen food volume l	XYZ A+++
Noise <small>(dB(A) re 1 pW)</small>	
<small>Further information is contained in product brochures</small>	
<small>Norm EN 153 May 1990 Refrigerator Label Directive 94/CEC</small>
